Price R3 210.00 per person

09:00 – 17:30

Get up close and personal with Africa's famous Big Five and other wild animals on our Full Day Safari Tour, a two and a half hour drive from Cape Town. As the Game Reserve is situated in the Western Cape, you will not need to worry about the risk of malaria. Enjoy some of the Cape's most unique flora and fauna, beautiful landscapes and wildlife all in one day! The elephants and lions have all been rescued by the team at the reserve, after encountering a virtual wipe out due to settlement and agricultural development. You will also find the cheetah rescue and rehabilitation centre which was founded in 2001, home to numerous cheetahs.
