

Whale Route/Hermanus Full Day

Tuesday, 4 Oct

Price R1 180.00

09:00 – 17:30

Whale-watching tours offer an exciting way to witness the majestic Southern Right whales that come to the Cape each season to breed and calve. Whale season typically runs between August and November in the Cape, and each season, large numbers of whales can be seen along the coast. The best place to see these creatures is along the famous Whale Route, which spans along the coastline passing Gordon's Bay, Pringle Bay and Betty's Bay en route to Hermanus.
