- Lunch
- Afternoon 4x4 game drive in the Pilanesberg National Park. Situated in the North West Province and just a stone's throw away from the popular Sun City, this dramatic stretch of land provides the perfect opportunity to view most of South Africa's wildlife. The park is distinctive in that it exists in a transition zone between two highly different climatic regions - the dry Kalahari and the wet Lowveld. These unique conditions in turn support a unique diversity of animal and plant life and bring together species that are not usually found together. Keep

your eyes peeled for the Big Five as well as other rare species such as the cheetah and wild dog. As the heat of the day begins to fade, your chances of encountering predators also increases.

4x4 Morning Game Drive • 4x4 Afternoon Game Drive

- Morning 4x4 game drive in the Pilanesberg National Park, one of the most popular accessible parks in South Africa. The landscape here reflects an ancient time with evidence of volcanic eruptions that occurred over 1 000 million years ago and intriguing Stone Age and Iron Age geological sites. Birdlife is prolific and the park supports over 350 different species. Keep your eyes peeled as you set off in the fresh dawn air towards Mamkwe Dam for species such as the kingfisher, fish eagle and cormorant. The dam is the largest body of water in the reserve, providing the perfect location to spot a wide variety of animals such as water buck, zebra and impala. Of course the Big Five is also on offer and the rich ecological diversity of the park makes these famous animals relatively easy to find.

KRUGER PARK

There is a maximum threshold of visitors that can enter the park daily. If this threshold is reached, only visitors with pre-booked overnight accommodation will be permitted access. You are advised to get to your gate of choice as early as possible, particularly over peak season periods.

- The park gates open and close at sunrise and sunset, between 05h30 and 06h00, and 17h30-18h00, depending on the season.

- Traffic in the park is prohibited after closing time. If you sleep in the park, please take into account the travel time (average speed 40-50km/h) between the gate and the camp in which you stay overnight to get there before the park closes.

TIPS

It is customary in the country to leave tips to service professionals, which includes in particular servers in restaurants (10% of the bill), porters in hotels (15 ZAR/piece of luggage/trip) and of course the guides, drivers or rangers you will meet during the trip (40 ZAR/day/person for the guide or driver-guide, 20 ZAR/day/person for the driver, 30 ZAR/day/person for the rangers).

None of these tips are mandatory, and the amounts shown here are only an indication of what is normally expected by the country's professionals.
